# THE COMPANY

# MILES

We are a company founded in 1996 in Curaçao, we are mainly dedicated to the transport and lifting activities of heavy loads, our work has been carried out in different parts of the planet, that is why we have the worldwide recognition. We have the best specialists in heavy machinery management; oriented to deliver solutions that help transform your operations and allow you to maximize the potential of your business.

Our services allow your company to take advantage of the latest technologies, as well as cost reduction and optimization of its resources and processes.

# THE COMPANY

# MILES MILES

During the last 20 years Miles Trucking & Heavy Equipment Services became the main contractor for supply of rental services to the Refineria Isla B.V., Curaçao Dry-dock Company N.V., Power Plants of Aqualectra N.V. and CRU B.V. and many other smaller companies.

In order to continue with the expansion process of our company and maintain the consolidation and cohesion with our clients, we have commercial offices in Bonaire, Aruba, St. Maarten and Mexico.
